CAREER OBJECTIVE

To establish myself as a leading expert in Biology research, teaching, and scientific learning, dedicated to imparting knowledge, advancing environmental stewardship, and contributing to the development of innovative biological solutions, sustainable products, and scientific services that address global challenges, protect ecosystems, and improve human well-being.

QUALITIES

A well-organized, motivated, adaptable, focused, creative and innovative individual who has good communication skills and also a team player who can work independently with little or no supervision and have a strong drive to see things through to completion.

EDUCATION

Akenten Appiah-Menka University of Skills Training and Entrepreneurial Development (AAMUSTED)

Master of Philosophy (Biology) | 2022 – 2024

University of Education, Winneba

Bachelor of Science (Biological Science Education) | 2017 – 2021

Nsutaman Catholic Senior High School

West African Senior Secondary School Certificate (Agricultural Science) | 2009 – 2013

PROFESSIONAL EXPERIENCE

Divine Winners Company Limited

Marketing and Research Officer | April 2026 – Present

Manufacturers and distributors of Vital 05 Organic Biostimulant

- Conduct market research and product education activities related to sustainable agricultural solutions.
- Promote awareness and scientific understanding of organic biostimulants among farmers, agrochemical agents, and agricultural stakeholders.
- Support product marketing strategies through scientific communication and field engagement.
- Assist in research-related activities aimed at improving product effectiveness and agricultural productivity.
- Participate in educational presentations and stakeholder engagement programs.

Stepping Stone Christian School

Teacher | October 2023 – February 2024

- Delivered Science lessons to students in Junior High School Department.
- Prepared lesson plans and schemes of work to facilitate effective learning.
- Collaborated with colleagues to support students with learning difficulties.
- Designed engaging teaching and learning materials.
- Maintained strong parent-teacher communication for student development.

University of Education, Winneba (Mampong Campus)

Teaching and Research Assistant (National Service) | October 2021 – September 2022

- Assisted lecturers in preparing teaching and research materials.

- Guided students in research work, assignments, and tutorials.
- Assisted in data collection and research activities.
- Supported academic scheduling and assessment activities.

Nsutaman Catholic Senior High School

Intern | January 2021 – May 2021

- Developed and implemented Biology lesson plans.
- Assisted in lesson delivery, assessment, and laboratory activities.
- Facilitated group discussions and practical sessions.

Unity International School

Science and ICT Teacher | May 2014 – August 2017

- Taught Integrated Science and ICT.
- Developed assessments and monitored student progress.
- Supported students with individualized learning needs.
- Promoted positive classroom engagement and participation.

Christ is Alive International School

Science and ICT Teacher | July 2013 – March 2014

- Taught and assessed primary pupils in Science and ICT.

RESEARCH EXPERIENCE

Principal Investigator (MPhil Thesis)

- Effect of Aqueous Garlic Extract on Reproductive Health and Blood Parameters in Male Albino Rats Exposed to Monosodium Glutamate (Published).

Team Member

- Invasive Plant Species in Ghana: Route of Spread, Socio-Economic and Environmental Impact (Published).
- Interactive Effect of Dietary Fat and Fibre on the Growth, Haematology, Serum Biochemistry and Organ Histology in Male Albino Rats (Published).
- Ameliorative Effects of *Senna siamea* Leaf Decoction in Loperamide-Induced Constipated Albino Rats (Unpublished).
- Physiological Response of Helmeted Guinea Fowls to Different Calcium Levels (Unpublished).
- Investigating the Impact of Ethanol Extract of Prekese (*Tetrapleura tetraptera*) on Haematology, Biochemistry, Feed Consumption, and Histological Characteristics of the Kidney and Liver in Wistar Rats (Unpublished).

Principal Investigator (BSc Thesis)

- Quality of Water in Kyirimfa River (Unpublished).

PUBLICATIONS / AUTHORED BOOKS

Guardians of the Environment: A Journey to Protect Our World

Educational book focused on environmental conservation, sustainability, sanitation, and responsible environmental behavior among young learners.

Kingdom Animalia: The Ultimate Guide to World's Amazing Creatures from Sponges to Mammals

Educational book exploring animal classification, characteristics, adaptation, diversity, and evolution from lower to higher animal groups.

Navigating on Campus: A Roadmap to Academic Success and Personal Transformation

A practical guide designed to help tertiary students adapt to campus life, leadership, academic success, and personal development.

AWARDS

- Outstanding alumnus, Kontonkyi Superior Awards 2025
 - 1st Runner-Up, AAMUSTED Postgraduate Research Conference Oral Presentation 2024.
 - Best Teaching Staff of the Month, Stepping Stone Christian School (January 2024).
-

SEMINARS AND WORKSHOPS

- Sustainable Solutions for Tomorrow: Innovation in Addressing Global Challenges (Postgraduate Research Conference), August 2024.
 - Ghana Science Association 33rd Biennial Conference: Combating Climate Change, September 2023.
 - The Strategic Scientific Conference: The Consequences of Malaria Attacks, October 2022.
-

LEADERSHIP EXPERIENCE

- President, Graduate Students' Association (GRASAG), AAMUSTED-Mampong (2022 – 2023)
- Public Relations Officer, GRASAG, AAMUSTED-Mampong (2022)
- Course Representative, MPhil Biology Candidates (2022)
- President, Birem-Jeduako Youth Association (2021)
- Chairman, GHASSA Electoral Commission, UEW-M (2019 – 2020)
- Member, SRC Welfare Committee, UEW-M (2019 – 2020)
- Vice President, GNAAS UEW-M Fellowship (2019 – 2020)

- Director, Adventist Youth Ministries, GNAAS UEW-M Fellowship (2018 – 2019)
 - Secretary, Santasi Federation of Adventist Youth Ministries (2018 – 2022)
 - Organizer, Santasi Federation of Adventist Youth Ministries (2016 – 2018)
 - Church Secretary, Kotwi-Nkoransa SDA Church (2015 – 2017)
-

PROFESSIONAL CERTIFICATIONS

- National Teaching Council Certification
 - Diploma in Biology
 - Anatomy and Physiology of the Human Body
 - Basic Microbiology
 - Fundamentals of Chemistry
 - Understanding Plant Genetics
 - Human Health, Diet and Nutrition
 - WHO-certified courses in COVID-19 response, respiratory viruses, Zika Virus Disease, and Marburg Virus Disease
-

SKILLS

- Scientific Research and Data Collection
- Biology Education and Student Mentorship
- Scientific Communication and Public Speaking
- Environmental Education and Advocacy
- Statistical Analysis using Minitab
- Microsoft Office Suite (Word, Excel, PowerPoint)

- Team Leadership and Project Management
 - Critical Thinking and Problem Solving
 - Basic Microbiology Techniques
 - Laboratory and Dissection Skills
-

COMMITTEES

- Member, Excursion Committee, Stepping Stone Christian School (2024)
 - Chairman, GRASAG-M Games and Dinner Planning Committee (2022)
 - Chairman, GHaSSA Elections Vetting Committee (2021)
 - Member, JCRC Elections Vetting Committee, Amaniampong Hall, UEW-M (2021)
-

INTERESTS

- Scientific Research
 - Environmental Conservation
 - Educational Writing
 - Community Outreach and Volunteering
 - Reading and Scientific Documentaries
 - Nature Exploration
-

REFEREES

Mr. Frank Essem

Lecturer, Department of Biological Science Education

Faculty of Science Education –USTED

Tel: +233 261 361 344 / +233 208 014676
